

GUJARAT TECHNOLOGICAL UNIVERSITY

(Established by Government of Gujarat Under Gujarat Act No. 20 of 2007)

SCHOOL OF APPLIED SCIENCES & TECHNOLOGY (SAST)

School of Applied Sciences & Technology (SAST) is the recent addition to the technology education portfolio of Gujarat Technological University, Ahmedabad, Gujarat.

SAST-GTU established in Academic Year 2021 aimed at providing skilled and trained personnel in the field of Biotechnology, Bioinformatics and Computer Science and invites next-generation professionals to start the journey towards a successful career in such professional domains. The School is a budding Institution with State of Art Infrastructure and Laboratory facilities.

The School of Applied Sciences and Technology consists of highly qualified faculties with industrial experience who are experts in their domain thereby providing students with excellent guidance and expertise.

Vision

To be among nation's leading schools of research and innovation.

Mission

To empower next-gen professionals with skills for global competitiveness by imbibing research based aptitude, technological advancement, intellect, and ethical values.
